

Become a Room Parent

2023-2024

Room Parents, with help from other parent volunteers, support the classroom teacher and organize special treats for students during four class parties throughout the year. The PTA makes it easy to be a Room Parent by providing a class roster, planning suggestions, and mentors to help with any questions. Most parties simply involve coordination of a snack and a craft or game/activity. Room Parents work closely with the teacher for the parties. There also can be multiple Room Parents for the classroom to share the planning!
