Notice of Right to Know – State-Mandated Assessments

August 24, 2023

Dear Parent/Guardian:

You have the right to know information about policies regarding student participation in state-mandated assessments in a school receiving Title I funds. The federal *Every Student Succeeds Act* (ESSA) requires that any school district receiving Title I funds must notify parents of each student attending any school receiving Title I funds that they may request, and the district will provide the parents on request (and in a timely manner), information and/or policies regarding student participation in state-mandated assessments.

At the beginning of each school year, Worthington City Schools publishes an “Annual District Assessment Calendar,” as well as “Testing Descriptions by Grade Level.” These resources can be accessed on our district website at <https://www.worthington.k12.oh.us/Page/4591>

Furthermore, Worthington City Schools Board of Education has the following policies regarding the use of assessments:

- Policy 2623 Student Assessment and Academic Intervention Services

- Policy 2623.02 Third Grade Reading Guarantee

Please feel free to contact your school’s office if you have additional questions regarding assessments for your child.

Respectfully,

Rob Messenheimer, Director of Elementary Education
