

**We have some fantastic volunteer opportunities available at Wolves Inc!**

**What are we? What do we do? How can you get involved???**

There are significant costs for high school sports and band that are not covered by the athletic department or the school's budgets. That's where Wolves Inc. and booster clubs come in for financial and operational support.

Wolves Inc. is the umbrella organization for all WKHS sport and band booster clubs at Worthington Kilbourne High School. Wolves Inc. provides 501(c)(3) tax exempt status for booster clubs, ensures compliance with Ohio Revised Code regarding contribution and expenditures, provides financial support for Worthington Kilbourne High School projects that affect all/most sports, helps align fundraising programs with overall needs of the athletic department and provides opportunities for clubs to participate in fundraising activities related to athletic events. Basically, we are the financial hub for sport and band booster clubs. We also provide funding support to the athletic department for items or that support all or most clubs. In the last few years, Wolves Inc. has donated money for improving the weight room, training room ultrasound unit, outdoor speakers and updated banners for OCC champions. We also cover the costs of academic honors across all sports and band programs.

The Wolves Inc. board carries between 7-9 board members who make up the Wolves Inc. Board of Trustees. Those positions are:

- President
- Vice President
- Treasurer
- Secretary
- Concessions Chair
- Program Chair
- Legal Counsel
- At Large Trustee (2)
