PRINCIPAL/ASSISTANT PRINCIPAL REPORT: Aric Thomas / Ken Nally

Student Planners – 250 were ordered in the past, Aric passed off the purchase order to Burl. Going to keep ordering 250.

Aric feels we should order the avenue banners this summer. AC has agreed to share in the cost, per an earlier request this school year.

Final exam schedule adjustment – all of the finals will be in the afternoon. So, we can either do a staff breakfast or a teacher luncheon the next day. Possibly change to May 21 on the teacher work day. Aric will let us know.
