INFORMATION AND PROPOSALS

B-1-a Visitor Comments

The school board and administrative staff encourage and appreciate citizen interest in meetings of the board of education. This section of the agenda is designed to hear the views of citizens about their schools and items on the agenda. Anyone wishing to address the board in person must send a written request in advance of the meeting via email to wscomms@wscloud.org by 12:00 pm on Monday, February 8th.

Each speaker will be individually called into the meeting room and asked to address the board at the visitor's podium so the speaker's remarks may be clearly heard. The speaker should give his or her name and address and limit comments to five minutes unless time constraints require otherwise. The speaker will be asked to exit the meeting room once they are finished sharing their comments. The board meeting is being digitally and visually recorded. We provide a time for citizen remarks at every regular meeting. At no time do we allow particular grievances about an employee to be aired. These remarks will be declared to be out of order and will be terminated when they are made about a specific employee. Any such discussion is not allowed in a public meeting, but may be discussed in an executive session at the board's discretion. Board members may ask questions of the speaker for information or clarification and may or may not make comments in response to a speaker's remarks. No board member has the power or authority to act for the board; therefore, no response from an individual board member should be interpreted as an official action.

Thank you for your cooperation.

B-1-b Covid-19 Response Update

Dr. Bowers will lead the Board of Education in a review of current conditions within Worthington Schools.

B-1-c Overview of Master Facility Planning Phase 2

Assistant Superintendent Randy Banks will update the Board on the Facility Planning Task Force meetings.
