### B-1-b Presentation on Communication Plan Review

Vicki Gnezda and Don Taylor shared an update on communications over the last year and what's to come.

B-1-c Board/Committee Reports, Announcements and Updates

Mrs. Keegan spoke of the WKHS and TWHS graduations on May 29<sup>th</sup>, commenting that it was a touching and good day and thanked everyone for making it happen.

Mrs. Best, who was unable to attend the graduations, said that she felt as if she was there due to all the tweets on social media.

Mr. Shim added that the graduations were a lot of fun and that it was nice seeing all the excited faces.

Mr. Schare, who echoed the same sentiments regarding graduation, thanked Mrs. Keegan for giving the board graduation speech and for accepting this year's graduation class. Mr. Schare also said that the Delaware Area Career Center presence at graduation was meaningful to students and their families.

Mr. Schare attended the Worth University event on Secondary Education Grading Practices and Philosophy and said the session was about how grading can be used as a motivator or de-motivator and how we have to be smart to see the difference. Mr. Schare also stated that the Policy Committee met for almost four hours, making a more concerted effort on minimizing the individual policies that have to come before the board. Mr. Schare added that the committee is looking at the second half of the year in which there will be three separate board meetings where policy that actively requires board response will be the topic.

Finally, Mr. Schare thanked outgoing Director of Special Education, Dr. Shirley Hamilton, for her service and wished incoming TWHS Principal, Pete Scully, well in his new position.
