

## **PROCUREMENT AND USE OF NALOXONE (NARCAN) IN EMERGENCY**

In accordance with state law, the Board of Education, the Superintendent, and/or the Superintendent's designee(s) shall procure Naloxone ("Narcan") for use in emergency situations. Narcan is a drug that may be obtained, pursuant to state law, with or without a prescription and is used to treat individuals who are experiencing, or may be experiencing, an opioid-related overdose. The Superintendent may adopt Administrative Guidelines governing the procurement, maintenance and use of Narcan at school, in emergency situations. The Superintendent shall consult with a licensed health professional when developing any such Administrative Guidelines.

The Administrative Guidelines shall specify the individuals that may access and administer Narcan as well as outline the procedures for storage and administration.

To the extent provided by law, the Board, its members, employees and contractors shall not be liable criminally and/or civilly for acts or omissions associated with procuring, maintaining, accessing, or using Narcan in emergency situations as prescribed by this Policy and any Administrative Guidelines.
