Impractical Bussing Resolution

The Superintendent of Schools, Dr. Trent Bowers, recommends that the Board of Education adopt the following resolution concerning transportation of students to and from Arts & College Prep Academy:

WHEREAS, each of the students identified on Attachment A to this resolution, which is incorporated by reference into this resolution as if fully rewritten herein (the "List of Students"), are residents of the Worthington City School District (the "District") and are eligible for transportation services; and

WHEREAS, each of the students identified on Attachment A to this resolution, which is incorporated by reference into this resolution as if fully rewritten herein (the "List of Students"), attend Arts & College Prep Academy, a nonpublic school, and have requested transportation to and from said school from the District; and

WHEREAS, section 3327.02 of the Ohio Revised Code provides that:

After considering each of the following factors, the board of education of a city, exempted village, or local school district may determine that it is impractical to transport a pupil who is eligible for transportation to and from a school under section 3327.01 of the Revised Code:

- (1) The time and distance required to provide the transportation;
- (2) The number of pupils to be transported;
- (3) The cost of providing transportation in terms of equipment, maintenance, personnel, and administration;
- (4) Whether similar or equivalent service is provided to other pupils eligible for transportation;
- (5) Whether and to what extent the additional service unavoidably disrupts current transportation schedules;
- (6) Whether other reimbursable types of transportation are available; and

WHEREAS, the District's Board of Education (the "Board") has conducted a careful evaluation of all available transportation options and has considered each of the foregoing factors; and

WHEREAS, the Revised Code provides that upon determining that transportation is impractical, the Board must offer to the parents or guardians of the affected students' payment in lieu of transportation;

NOW, THEREFORE, BE IT RESOLVED, that, based upon the Board's evaluation of transportation options and consideration of all of the statutory factors, the Board hereby determines and declares that it is impractical to provide transportation for each student identified on the List of Students to their selected schools for the reason(s) appearing after each student name; and it is further

RESOLVED, that payment in lieu of transportation shall be offered to the parent(s)/guardian(s) of each student named on the List of Students as provided by section 3327.02(C) of the Ohio Revised Code; and it is further

RESOLVED, that on behalf of the Board, the Superintendent of Schools shall submit a copy of this resolution to the educational service center that contains the local district's territory for concurrence in accordance with section 3327.02(B)(3).

Impractical Bussing Resolution

The Superintendent of Schools, Dr. Trent Bowers, recommends that the Board of Education adopt the following resolution concerning transportation of students to and from St. Joseph Montessori School:

WHEREAS, each of the students identified on Attachment A to this resolution, which is incorporated by reference into this resolution as if fully rewritten herein (the "List of Students"), are residents of the Worthington City School District (the "District") and are eligible for transportation services; and

WHEREAS, each of the students identified on Attachment A to this resolution, which is incorporated by reference into this resolution as if fully rewritten herein (the "List of Students"), attend St. Joseph Montessori School, a nonpublic school, and have requested transportation to and from said school from the District; and

WHEREAS, section 3327.02 of the Ohio Revised Code provides that:

After considering each of the following factors, the board of education of a city, exempted village, or local school district may determine that it is impractical to transport a pupil who is eligible for transportation to and from a school under section 3327.01 of the Revised Code:

- (1) The time and distance required to provide the transportation;
- (2) The number of pupils to be transported;
- (3) The cost of providing transportation in terms of equipment, maintenance, personnel, and administration;
- (4) Whether similar or equivalent service is provided to other pupils eligible for transportation;
- (5) Whether and to what extent the additional service unavoidably disrupts current transportation schedules;
- (6) Whether other reimbursable types of transportation are available; and

WHEREAS, the District's Board of Education (the "Board") has conducted a careful evaluation of all available transportation options and has considered each of the foregoing factors; and

WHEREAS, the Revised Code provides that upon determining that transportation is impractical, the Board must offer to the parents or guardians of the affected students' payment in lieu of transportation;

NOW, THEREFORE, BE IT RESOLVED, that, based upon the Board's evaluation of transportation options and consideration of all of the statutory factors, the Board hereby determines and declares that it is impractical to provide transportation for each student identified on the List of Students to their selected schools for the reason(s) appearing after each student name; and it is further

RESOLVED, that payment in lieu of transportation shall be offered to the parent(s)/guardian(s) of each student named on the List of Students as provided by section 3327.02(C) of the Ohio Revised Code; and it is further

RESOLVED, that on behalf of the Board, the Superintendent of Schools shall submit a copy of this resolution to the educational service center that contains the local district's territory for concurrence in accordance with section 3327.02(B)(3).
