** For College Credit Plus (CC+) classes, acceptance into the intended college is required. Students have the option of taking any college courses for which they meet the pre-requisites. Students may take classes from multiple colleges and not just those listed on the course selection sheet. The course selection sheet highlights the classes that, assuming there is sufficient interest, will be offered at WKHS next year.

All students interested in participating in CC+ must attend a College Credit Plus information counseling session with a parent/ guardian. Worthington will host one of these nights on **Thursday, February 9th at 7:00pm** in the WKHS auditorium. The presentation will fulfill the state's requirement for the counseling information session. Students unable to attend should see their counselor for alternate dates and locations of presentations to fulfill this requirement.

Prior to registering for any CC+ courses, students are encouraged to investigate how the credits will transfer to their future anticipated college. Many entry-level courses earned at Ohio public colleges are guaranteed to transfer to any other Ohio public college. Students who wish to earn credits at a private college or those who want to transfer credits to an out-of-state institution, will need to have their CC+ transcripts evaluated on a case-by-case basis by the institution they are seeking to attend.
